| <p>Mathematics</p> <p>Multiplication and division including number and place value-multiplying and dividing by 2, 5 and 10.</p> <p>Problem solving using 2, 5 and 10 times tables and division facts.</p> <p>Position and direction-use directional and positional vocabulary.</p> <p>Fractions of shapes and amounts.</p> <p>Reading and telling the time to five minute intervals.</p> |                    |               |           |
| <p>Science</p> <p><i>Working Scientifically</i></p> <p><i>Plan and conduct experiments in order to answer questions.</i></p> <p><i>Consider what makes a fair test and record results accurately.</i></p>  |                    |               |           |
| <p>Religious Education</p> <p><i>Good News</i></p> <p>Talk about what is news and how we receive and spread it.</p> <p>How they celebrate good news for themselves, their family, our school and our world.</p>  |                    |               |           |
| <p>Art and Design/Design Technology</p> <p>Landscapes-Look at the work of Georgia O'Keefe, recreate some of her work, create own work inspired by her landscapes and compare their work to hers.</p>   |                    |               |           |
| <p>Computing</p> <p><i>Coding</i></p> <p>Create and debug simple programs.</p> <p>Use logical reasoning to predict the behaviour of simple programs.</p>   |                    |               |           |
| <p>Geography</p> <p>Learn about the seas and cities of the UK. Think about the view of the land from a plane by looking at aerial photos.</p>  |                    |               |           |
| <p>History</p> <p>Learn about the history of flight. Discuss how and why these have changed and make a time line of these changes.</p> <p>Discuss famous people who have influenced flight</p>   |                    |               |           |
| <p>Music</p> <p>Children will be learning and performing songs for the Christmas production.</p>   |                    |               |           |
| <p>Physical Education</p> <p><i>Gym</i></p> <p>High and Low- exploring different ways of travelling using different body parts- making sequences- using apparatus and thinking of different balances.</p>  |                    |               |           |

PSHE

*Peace*

Understand external peace in the world.

Understand internal peace inside us-the self-contentment with who we are and what we have.
